

# GABRIELA PERALTA

GRAPHIC DESIGNER

## LOGOS

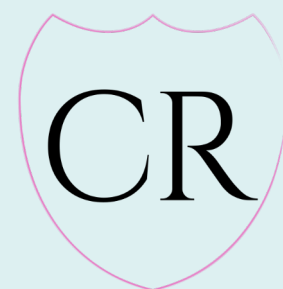

"Gabriela did a wonderful job helping to create a logo for my speech therapy company. She was prompt and clear in all of her interactions and designed a perfect logo specific to my preferences and design ideas. She took feedback and tweaked the designs until they were just what I was hoping for. Gabriela provided a variety of unique ideas and sent lots of options to choose from. She quickly sent design ideas within 24hrs of any updates that I requested."

- Emma Boyd, Business Owner, Bosque Therapy Center (USA)

## ABOUT GABRIELA

Gabriela fell in love with design after sailing the ocean blue for four years while exploring Africa, the Caribbean, and the Americas. She offers this captivating experience to her clients as she designs for simplicity and beauty.

With a background in business and technology, she is skillful in capturing the essence her clients' identity. She keeps transparent communication to deliver above expectations. She is looking forward to reflecting what's important; she believes the logo, branding, and print designs should reflect the heart behind the business and attract the ideal clients.

International orders welcomed.  
Gabriela speaks English, Spanish and Portuguese.
